The Candidates

Everyone needs change!

Stand for what you believe.

Be truthful, Be proud.

A woman's place is not just in the kitchen!

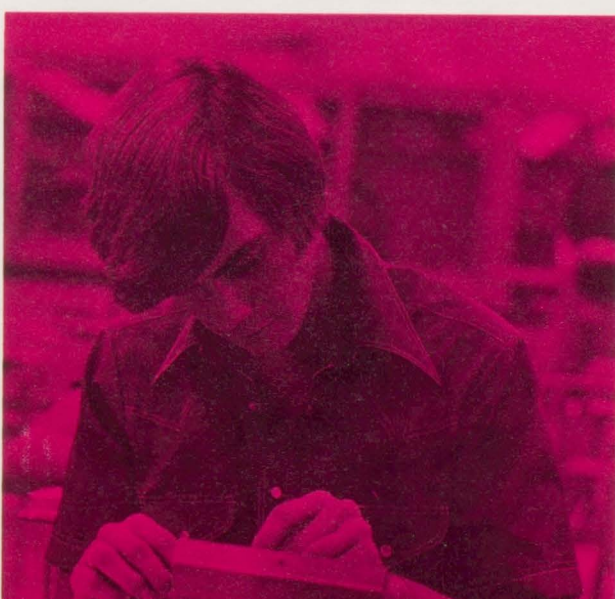

During this presidential election year Ms. Shagena's two government classes held elections of their own. Its purpose was to familiarize the students with campaigning and to increase their interests in the political process.

They worked for approximately four weeks. Much outside work was done along with in-class activity. Banners, bands, and slogans were used to raise candidates chances for election. They even held bake sales and other fund raisings to help run their campaigns.

All in all it was an exciting month and no one was truly a loser!

As the year began it seemed that everything was lost, but thankfully Student Council was restored by many considerate people. Through much deliberation the students of A.H.S. were allowed to shine this year. Although not everyone at school was physically involved, their opinions were voiced through elected representatives. All members worked hard and brought about several functions which took place at the high school.

For Halloween the students were allowed to dress in costumes during the school day and a dance followed that evening. Prizes were given for the best dressed persons and refreshments were served. It was a time of good goblins and masqueraders.

During winter we held a Christmas "Snow Ball" for all the student body. Everyone dressed semi-formally, the food was great thanks to Mrs. Knight and her assistants and the band played fluently. Jugs were carried by seniors which symbolized ballot boxes and coins were dropped in as votes. From the tallies a King and Queen were chosen and they received gift certificates. All monies collected in voting was donated to the Goodfellows Christmas Fund. Other assemblies, fund raisings, and group activities took place throughout the year.

It is especially important to extend thanks to all the people who supported us throughout this year and to wish future councils the best of luck.

WOW!?!?

The guys baseball team had a rather unsuccessful season with a 2 and 12 record in 1976. Their abilities were distributed quite well though they found it difficult to unite in play. The team consisted of ten members and was led by Mr. Garrett.

LEFT TO RIGHT: FRONT ROW: John Vigliotti, Bob Sauer, Terry Wonsowicz, Paul Sands, Kevin Balduck, Dave Crawford, Kevin Kensora. BACK ROW: Mr. Garrett (coach), Brian Wilcox, Greg Hogert, Carl Weeden.

The Algonac thinclads completed another successful season in 1976, scoring 43 points in the S.C.A.L. league meet, finishing only behind Port Huron Central and Marysville.

The trackmen's overall record was 10-4 with a league dual record of 4-3.

It was one of the most talented track teams we've had at Algonac. Lee Szymanski, Bob Sears, and Donnell Robinson qualified for State Class B Final Meet.

We had two individual league champions, Senior Lee Szymanski won the pole vault (12'6"), and Bob Sears, the long jump (21'¾").

Up and over.

Cool Hand Luke

What goes up must come down.

The 1976 Tennis team finished the dual meet season at 10-8 with a 4th place finish in the league standings. However, during the middle of the season, before injury to Dan Hartman, the team captured its second Regional title in the past few years and sent five players to the state finals in Kalamazoo. Steve Storey won his second league singles championship and won the regional singles championship, and Al Hick and Dan Hartman won the regional doubles championship with Jeff Kondogan and Walt Kenzie finishing second. Storey finished the year at 25-2 to become the first player to win over sixty matches in his career.

That'll teach him!

Such poise.

Look out Conners.

I hit it that time!

Girls at A.H.S. were finally permitted to run the bases as a team in 1976. They opened their first season under the direction of Ms. Anita Shagena with a total of 13 players.

Though their record was not constant, their efforts were not in vain. Together they learned much and opened a new field for the girls of A.H.S. Gigi Yax and Doreen Grote were named to the All-League Team for that year.

Through strength, determination, and talent, the idea of Girl's Softball will remain a strong topic at the High School.

Yearbook

ADVISOR: Mr. Burns

Although we thought it impossible, we were able to publish this yearbook. We wish to thank those who helped make it possible. As usual, the book was a challenge and we tried to revise it considerably. It's been another exciting year for the staff. A special thank-you goes to Mr. Weitzel for all his work in the past, along with a special welcome to Mr. Burns, our new advisor. We wish him and his staffs much luck in the future.

The Youth For Understanding Organization has contributed much to the education of youths. By allowing students to attend schools in other countries they have increased their knowledge and added many dimensions to their life styles. This organization will continue to expand the learning process of students in the future. The students we have visiting us this year are Walter Apers from Belgium, staying with the Michael Mroz family, Gustavo Isaac from Columbia, staying with the Raymond Angers' family, Norbert Schmidt from Germany, staying with the Albert H. Krieg family, Lena Sjostedt from Sweden, staying with the James Bowerson family, and Daisoke Yonemoto from Japan, staying with the Donald Dodge family.

The 1976-1977 school year was full of surprises both good and bad. Good because wonderful people changed to new routines or found extra time for themselves, bad because we will miss them very much. We dedicate this page to them.

Mrs. Marian Jackson retired this year after ten years of patient service to our school. As Mr. Ford's secretary she not only assisted him, but helped everyone else in the building as well.

Mrs. Helen Cole Morrow retired this winter as the Algonac Community School's nurse. After 30 years of service, she has greatly earned the right to rest and good health.

Mr. Donald Weitzel has renounced his position as yearbook advisor after three successful years. We thank him sincerely for all he has taught us.

We wish all three success in everything they may wish to challenge!

Respectfully,

Algonac High School

Mr. and Mrs. Weitzel

Mrs. Marian Jackson
